# TESTIMONIALS

*We developed our portal for our company 'Hello Tailor'. It was wonderful to work with reliable, responsible and the finished product is just what we wanted. We really enjoy working with M&M and its team.*

**Manik Haoladar -**  
hellotailor.in (Kolkata)

*M&M, including its founder and staff, stands out as one of the very capable, very friendly and very scalable organisation that is willing to stretch and work hard to deliver projects under tight timelines with excellent quality of the output. They have designed and delivered our marketplace website which has been largely appreciated by our customers, partners & constituents.*

**- Kishor Kapoor**  
ekutumb.com (Singapore)

*Had a real good experience with M&M. The professional approach reinforced with knowledge base and innovative thought process made the team superlative. Capable of delivering quantity with quality, more importantly possesses the habit of running on schedule. My best wishes remain .....*

*M&M offer a great service when it comes to Webdesign & Graphic design. They offer a wide area of services and do it all in a perfect timing and excellent quality. I would always recommend their work.*

**- Bjoern Buerke**  
style-inc.de (Germany)

*I have worked with M&M for personal as well as official projects involving digital transformations and building digital platforms. M&M provided fantastic support during our engagement both at design as well as delivery stages of these engagements.*
